Your Way Custom Massage **60/90 minutes**

A massage that is truly customized to your needs. Allow our highly skilled therapist to guide a massage experience that incorporates a blend of bodywork techniques that is ideal for you. This is your time to design a massage with the right combination of pressure and techniques.

Narragansett Nurture **90 minutes**

With the gentle blues of the bay and sky before you, let our therapist relax your body and mind with a relaxing escape. This treatment begins with a gentle dry body exfoliation. A warm aromatic shea butter oil is then gently applied to the body. Allow our therapist to wrap you in a warm cocoon to rest while a gentle scalp massage is performed. A relaxing massage follows for an experience that will relax your body and mind.

Muscle Ease Massage **60/90 minutes**

Warm arnica oils are worked into tired muscles using heat and deep massage techniques. This customized deep tissue therapy will enhance relaxation and release deep muscle tension. Naturally infused Arnica oils work to ease muscles as they are massaged into the skin.
