### The Ocean House Debuts Multi-Million Dollar Renovation

One of New England's classic seaside resorts, the Ocean House, is fresh off of a 49-room renovation. The multi-million-dollar project, spearheaded by Ocean House Design Group and designer Peter Niemitz, gives the property a refreshed aesthetic while maintaining its coastal New England charm. Rooms feature rich ceramic tile entryways, custom wool carpets, updated technology, and renewed color palettes, as well as new state-of-the-art technology. Over Memorial Day weekend, the Ocean House will unveil the Secret Garden, a new outdoor lounge serving exclusively Veuve Clicquot. The resort has also announced a partnership with Lilly Pulitzer that includes a new Lilly-outfitted suite (\$825) at its sister property, the Watch Hill Inn. *From \$655; 1 Bluff Ave., Watch Hill, RI; 855-678-0364; oceanhouser.com.*
