Nature Craft: Enjoy these fun nature-themed activities geared toward adults and older children. This month we offer Beachstone Jewelry.

Hunter Boot Tide Pool Walk: Join Capt. Teddy on an adventure to shallow watery places. Depending on tide stage we will explore rocky Atlantic shoreline tide pools, or the grassy salt marshes that ring the salt pond. We will look at the seaweeds and the creatures that live in these sheltered areas. A perfect application for the Hunter Boots available from our lending closet!

Birding: We visit local hotspots to seek out our fine feathered friends. Outing will utilize one of the Inn vans, our open-air electric car, or perhaps a boat. Naturalist Mark will bring along optics and local knowledge.

Naturalist's Van Outing to Kettle Pond Visitor Center: KPVC is located in a lovely modern building in the woods of Charlestown, which is also the regional headquarters for US Fish & Wildlife. The visitor center features beautiful dioramas and displays that represent various habitats found in the five Rhode Island refuges.

Tour to Watch Hill: Our outing to Watch Hill makes for a perfect little interlude in a chilly day. In just over an hour we take a delightful scenic drive around the historic village and down to the stunning lighthouse. Capt. Teddy discusses the history of the area and points out areas of interest.

Star Gazing: A big dark sky with lots of stars is a memorable part of the Weekapaug experience. Join the Naturalist after dark to spot stars, constellations, planets and the moon. Our computerized telescope reveals wonders of deep space.

Electric Tour: Join us for an insider's tour of Weekapaug in our new open-air electric shuttle. Bucolic lanes and lawns, beautiful homes, hidden beaches and big views.

WELLNESS

Naturalist's Beach Walk: Join our naturalist on an hour-long walk down the barrier beach. He will point out wildlife, interesting plants and landmarks. The beach is beautiful and great for walking throughout the year.

Charts and Grog with the Captain

Join Capt. Teddy in the Sea Room for a ration of Grog (the Inn's own delicious recipe) and a look at nautical charts of the area. This is a fine way to understand the nature of our coastline and to learn a bit about tides, reefs and shipwrecks.

Walk to Weekapaug Overlook: A quick walk to the overlook at Weekapaug Point, where we use our spotting scope to survey Block Island, Montauk Point, Watch Hill and Fisher's Island. Meet in lobby.

INN ACTIVITIES

Fishing 101: Join Capt. Teddy in a hands-on fishing lesson! Learn the basics from spinning reel casting, fly-casting, bait & lures, and knot tying.

***Trustom Pond Outing:** Trustom Pond US Fish and Wildlife refuge features well-maintained trails that meander through native grasslands, upland forest and eventually to a large coastal pond. Viewing platforms afford fine views of waterfowl and sweeping vistas of the beach and marshes. Free for Inn guests; \$20 for those not staying at the Inn
