OCEAN HOUSE COLLECTION

## ABOUT OUR ACTIVITIES:

### CONNECTING WITH NATURE:

**Naturalist Beach Walk:** Join our naturalist on an hour-long walk down the barrier beach. They will point out wildlife, interesting plants, and landmarks. The beach is beautiful and great for walking throughout the year.

**Nature Photography:** Display natural elements such as landscapes, creature close-up, and natural scenes and textures. Nature photography emphasizes the aesthetic value of wildlife, gardens, landscapes, and culture. *(No need to bring your own camera – we have one you could borrow.)*

**Birding:** We visit local hotspots to seek out our fine feathered friends. Outing will utilize one of the Inn vans, our open-air electric car, or perhaps a boat. Our naturalist will bring along optics and local knowledge.

**Guided Kayak Tour:** Explore and discover the natural beauty of the Quonochontaug Pond with a guided kayaking tour. Meet the naturalist at the Boathouse and then paddle out into the saltwater pond. Keep an eye out for birds, crabs, and fish as you explore rocky coasts, salt marshes, and sandbars.

**Nature Craft:** Enjoy these fun nature-themed activities geared toward adults and older children. Driftwood Art and Jewelry Making take place down at the boathouse where you will be able to make all sorts of creations with the help of our boathouse attendants.

**Stargazing:** A big dark sky with lots of stars is a memorable part of the Weekapaug experience. Join the naturalist after dark to spot stars, constellations, planets, and the moon. Our computerized telescope reveals wonders of deep space.

**Science Explorers:** Weekapaug Inn guests collect water quality data, fish and crab samples, and oyster populations. The information is crowd sourced and shared with conservationist around the world. Join the Weekapaug Citizen Science Explorers Club.

**Crabbing and Live Touch Tank:** Join us at the boathouse to find slimy fun hermit crabs and crabs.

**Fishing 101:** Fishing can be a great way to spend time outside with family and friends. Whether you have fished in the past or want to try something new, meet at the boat house and try it.

**S'mores at the FirePit:** A crackling fire in the back-yard fire pit, a big sky and water views. What could be better than that? Come enjoy our house made s'mores, nightly. *(Weather dependent).*

### WELLNESS:

**Morning Yoga:** Gentle yoga with our most experienced and sensitive instructors. Class may be in the Fenway studio or outside depending on class and conditions.

**Beach Yoga:** Enjoy a nice early morning mindful vinyasa yoga session, all levels welcome. Please bring a towel.
